

CAMBRIDGE

INTERNATIONAL SCHOOL

SYLLABUS

Science for Class IX (Session 2025-2026)

| | |
|------------------------|---|
| Formative Assessment 1 | Physics: Motion |
| | Bio: The fundamental unit of life |
| Formative Assessment 2 | Physics: Force and Laws of Motion |
| | Chemistry: Is matter around us pure? |
| Formative Assessment 3 | Physics: Work, Energy and Power |
| | Biology: Tissues |
| Formative Assessment 4 | Physics: Gravitation |
| | Chemistry: Atoms and Molecules |
| Formative Assessment 5 | Physics: Floatation |
| | Bio: Improvements in Food Resources |
| Formative Assessment 6 | Physics: Sound |
| | Chemistry: Structure of the Atom |
| | Bio: Prevention of Drug Abuse and STD's |

Formative Assessment 6

Physics:

1. Motion
2. Gravitation

Chemistry:

1. Atoms and Molecules
2. Structure of an Atom

Biology:

1. The fundamental unit of Life
2. Tissue
